The property is beautifully decorated with amazing landscapes, includes a 32 foot above ground pool, and a great patio surrounding the pool. A wonderful place to entertain friends and family with the outside BBQ pit or maybe some fishing in the stocked pond. The property is set up and fenced for a rotational grazing program that the owner has successfully ran 30 head of cows on. With the working pens, automatic waterers, and a horse stall barn this property is ready to go for someone who loves to raise cattle or horses. About the time you think the place couldn't offer any more you see the amazing deer the owner has taken off the land in the previous years and realize this is not only a property with a beautiful home, pastures that are all set up and ready for livestock, but an exceptional piece of hunting property. Owner has trails leading to Clear Creek for fishing locations on the creek and easy access through the woods so you can access the tree stands with ease. This is a must see property with close access to main roads and great towns that offer all the amenities a person could ever want.
