

Hollywood Hunting Club

Hollywood Hunting Club is 674 acres located in Little River County approximately 8 miles southeast of Foreman, AR 71836. This property offers some of the finest deer hunting in the area with proven results! 3 Water structures have been put in place to capture some good waterfowl hunting. The cabin is a All-Metal structure that is 1500 sqft heated/cooled with a 600sqft pull through garage. It has enough room to sleep 12 people. Located inside the garage you will find a drain, skinning rack, sink, and washer and dryer. Behind the cabin you will find a 400 sqft metal shed to store UTV's/ATV's under. A good maintained trail system is in place to get you anywhere and everywhere on the property. Several box blinds and treestands are set in strategic locations that will convey with the sale! Turkey, hogs, rabbits, and squirrels can also be found on the property making this club the complete package when it comes to a recreational hunting property.
